

LISSIE SMITH

Bio

Lissie Smith is a singer-songwriter on her own terms. Rooted in the raw passion of her idols Eva Cassidy and Lady Gaga the 21-year old musician has been performing to sellout crowds ever since she was a teenager. Growing up learning the piano, it wasn't till her Nan realised Lissie's true potential after hearing her voice singing to the radio. Her soulful voice has been described by audiences as "gorgeous" and "powerful".
